

## **MONTE BERNARDI 2004 CHIANTI CLASSICO DOCG**

Our 2004 Chianti Classico is an exciting symbol of our direction for the future - one which preserves the essence of Sangiovese and emphasizes the distinctiveness of the area - Panzano in Chianti, one of the grand cru of Chianti. We have decreased the amount of new oak used in aging and added a large percentage of Sangiovese from our top cru vineyard (Sa'etta); this has not only increased the quantity of Monte Bernardi Chianti Classico produced, but has also given the wine greater depth and complexity.

### **TASTING NOTE**

Lovely nose, accented with violets, sour cherries, blackberries, pepper, and hints of fresh almond kernel and cedar. Fine elegant tannins support a wonderful rush of ripe, but not overly ripe fruit. The palate has a nice balanced acidity with an incredibly long finish that seems to never end. A real pleasure that will continue to reward for many years to come.
