### MONTE BERNARDI ROSÉ 2006

This is the first time that this Chiantigiana Estate, run by the skilled Schmelzer siblings, has been presented in this guide. This Rosé is a precious example of elegance and drinkability. Made from the traditional varieties of Chianti Classico: Sangiovese with the addition of Malvasia and Canaiolo and selected from the vineyards in the freshest and most shaded areas of the property. The result is a glass dressed in bright rose with fruit aromas of cherry and strawberry. Well balanced and supported by a refreshing acidity on the finish and pleasantness.
